**Please provide additional comments. These comments are a valuable part of your evaluation of the Teaching Assistant.**

Kayden is a super helpful TA because he never gives you the answer, he asks you questions that will guide you to the right answer. Despite a large discussion class size, he will always provide each group with individual attention. He is really nice and approachable. I liked him as a TA because he also gave general advice about getting through your first year in college.

Kayden is super nice, knowledgeable and helpful.

Kayden was a very good TA in the sense that he would never tell us the answers, but he would put us on the right track and allow us to figure out the answer ourselves. I really enjoyed discussion, he helped us understand everything from lecture and made us feel like we had a support group behind us.

Kayden is really good at instructing, and he is very patient

Very enthusiastic and approachable

He is always available to help the students and he is able to give solid explanations.

Kayden was very helpful in explaining homework from lecture and the discussion homework we received!
